Healthy School Meals for All NY Kids Campaign Sign Up

Hunger Solutions New York and Community Food Advocates are launching a statewide campaign for Healthy School Meals for All NY Kids. **We invite you to join us as we work to ensure that all students across New York State have secure, equal access to school meals at no cost.**

This campaign calls on New York's elected officials to take action to establish and fund a permanent, statewide Healthy School Meals for All NY Kids program to ensure every student has access to a health breakfast and lunch each day. A state-level guarantee provides long-term stability for all NYS schools, making their school nutrition programs financially whole, and ensures sustainability for free meals for all future generations of NY students.

Join us! Together we can work to ensure that every student across New York — regardless of where they live — has consistent access to healthy school meals. **Sign up below to join the campaign.**
